Lemonade Activity Classes I- V

The Lemonade Activity was organized on 19 July 2025 in the school premises with great enthusiasm and participation from the students of classes I-V. The main objective of the activity was to promote healthy habits, teamwork, and entrepreneurial skills among students in a fun and engaging way. Each group of

students brought with them the basic ingredients for making lemonade, such as lemons, sugar, salt, and water. After preparation, students distributed the lemonade to their classmates and teachers. The activity was a refreshing success, especially on a warm day.

Everyone enjoyed the delicious lemonade, and the students felt proud of their efforts. Overall, the Lemonade Activity was both educational and enjoyable, leaving the students with valuable life lessons and sweet memories.
