**AIR FORCE SCHOOL, KALPI  
CHILDREN'S DAY CELEBRATION**

Children's Day was celebrated with great joy and enthusiasm on 14th November 2025 in our school. A vibrant Bal Mela was organised for the students, which created a cheerful and festive atmosphere all around the campus. One of the major highlights of the celebration was the parent-child ramp walk, where students participated along with their parents. Their confident walk and coordinated outfits added charm to the event. Another special attraction was the talent hunt with grandparents, where grandparents enthusiastically showcased various talents along with their grandchildren, creating heart-warming memories.

The events were judged by Mrs. Divya, Mrs. Devender, and Mr. Brahmpal, who appreciated the efforts and creativity of all participants.

Several stalls, swings, and live games were arranged for both parents and students, ensuring fun, engagement, and enjoyment throughout the day. The winners of various competitions were also awarded prizes. Overall, the Children's Day celebration was a grand success, filled with laughter, learning, and memorable moments for everyone.
